

Příloha č. 3

This map illustrates the bus network in the Kestřany region. A legend in the top-left corner defines the symbols: a dashed pink line for the 'objízdna trasa pro autobusovou dopravu' (bypass route for bus transport) and blue circles for 'zastávky obsluhované v době objíždky' (stops served during the bypass). The map shows a network of routes connecting various towns and villages, including Kestřany, Putim, Ražice, Heřmaň, Skály, and Drahonice. Numerous smaller settlements and specific locations are also marked, such as Zátaví, Lhota u Kestřan, Mladějovice, and Sedliště. The map includes topographical features like rivers (Otava, Blanice), lakes (Řežabinec), and contour lines. The SWECO logo is visible in the bottom-right corner.

Příloha č. 3

This map illustrates the bus network in the Kestřany region. A legend in the top-left corner defines the symbols: a dashed pink line for the bus route and blue circles for stops. Stops are categorized as 'obsluhované v době objíždky' (served during the loop) or 'bez obsluhy v době objíždky' (not served during the loop). The map shows a route starting from Ražice, passing through Putim, Písek, and Smrkovice, then heading south through Kestřany, Čejetice, Mladějovice, and Drahonice, before returning to Ražice. Key locations and landmarks include the Otava and Blanice rivers, the Řežabinec reservoir, and various smaller lakes and ponds. The SWECO logo is visible in the bottom-right corner.

Příloha č. 3

This map illustrates the bus network in the Kestřany region. A legend in the top-left corner defines the symbols: a dashed pink line for the bus route and blue circles for stops. Blue circles with a dot represent stops served by the bus, while empty blue circles represent unserved stops. The map shows a route starting from Písek (aut. nádraží) in the northeast, passing through Putim, Ražice, and Štěpice, then heading south through Mladějovice and Drahonice, and finally returning to Písek via Smrkovice. The map includes various geographical features such as rivers (Otava, Blanice), lakes (Řežabinec, Mlýnský rybníček), and numerous smaller settlements and villages. The SWECO logo is visible in the bottom-right corner.
